

## Reds Asks Piecemeal Surrender Of China

### Say Chiang's Arrest Must Come First

Nanking, Jan. 29.—(AP)—The Chinese Communists insisted today that arrest of Generalissimo Chang Kai-Shek and other government figures on the Red list of "war criminals" must precede any peace talks.

Since Chiang and almost all others on the list long since have gone south, it is impossible for acting President Li Tsung-Jen to comply, even should he wish.

The Communists demanded a prompt reply, but there was no official public reaction. Acting President Li, inside his strongly-guarded home, was the only responsible official left in the capital. Not a single cabinet member could be located.

**Reds Armies Idle**

The victorious Communist armies were idling on or near the north bank of the Yangtze at many points. Coupled with this, the new political demands plunged Nanking hopes of a negotiated settlement to new lows.

The Communist broadcast, by an unidentified spokesman, also angrily demanded re-arrest of Y. Gen. Yasutsugu Okamura, last Japanese commander in China. He was acquitted of war crimes before a Chinese government military court Wednesday.

The Communist statement declared:

"We hold that your present activities are a scheme to use hypocritical peace negotiations as a cover for regrouping your forces and war preparations, including a plot to bring the Japanese reactionaries to China to join you in butchering the Chinese people."

**Use Peiping Pattern**

The statement suggested that the local surrender at Peiping Jan. 22 was a pattern for similar bit-by-bit settlements covering Nanking, Shanghai, Canton and all other government-held territory.

It made clear, however, that the Reds' 8-point surrender demand of Jan. 14 must be met first.

First of these eight points was "punishment of war criminals."

"Chiang Kai-Shek is especially important," said the statement. "The said criminal has now fled to Feng-hwa, and may very possibly flee abroad, to hide beneath the cloak of American or British imperialism."

"Therefore you must act swiftly to arrest this criminal and not permit him to escape. You must bear full responsibility for this; if escape occurs, you will be punished as a conspirator, with no mercy shown whatsoever."

The broadcast referred to the Dec. 25 list of 43 "war criminals," but said a fuller list was now being discussed with various non-government organizations "in our territory and yours" and would be published soon.

**Will Inform Nanking Later**

"Nanking will be informed later of the preparatory work that must be carried out by both sides for other points of the eight terms," said the statement.

(This implied that all eight points would have to be met before peace could be "negotiated." Second of the eight points is "abrogation of the bogus constitution. Others include 'removal of reactionary armies; confiscate bureaucratic capital; reform the land system; and abrogate treaties of national betrayal.'")

At the same time, Nanking was instructed to hold its peace delegates in readiness to confer in Peiping whenever the pre-conditions should be met.

Government representatives in Peiping relayed a Red demand that the government halt its move south to Canton.

This already has gone too far to halt, even if the government agreed. Operations in Canton are scheduled to begin by Feb. 5.

## Stork Beats Milk Truck To Hospital

Blackfoot, Idaho, Jan. 29.—(AP)—Mrs. Allen Tenema, 17-year-old Fort Hall Indian and expectant mother, started to hitch-hike from the reservation to a hospital, but the stork traveled faster.

Mrs. Tenema's seven pound baby was born in a milk truck. The temperature was below zero, but mother and child were reported in good condition.

The truck reached the hospital a few minutes after the birth.

### WEATHER

The Norbury Sanatorium, co-operative observer for the U. S. Weather Bureau, yesterday reported the temperatures for Saturday as follows: High, 11; low, 0; and at 3 p.m., 3 above.

**Forecast for Illinois** — Sunday generally fair and slowly rising temperatures. High 24 to 28.

## Hail Council Of Europe As Great Step In Unity

London, Jan. 29.—(AP)—The Parliament of Europe envisaged by Brussels treaty powers was hailed in some quarters today as the start of an effort to fill a vacuum created by the disappearance of Germany as a political force.

There was disagreement as to what it will grow to be—a "third force" in the world level with the United States and Russia, or merely a broader western European alliance with the function of maintaining defense lines against Russia.

But there seemed to be general agreement the plan for a council of Europe, announced by the five western foreign ministers last night was the longest step yet taken toward European unity.

It was regarded as significant that, in addition to setting up procedures for military and economic collaboration, the foreign ministers of Britain, France, Belgium, The Netherlands and Luxembourg provided for a systematic sharing of the nations' cultural and bringing their educational systems into closer harmony.

Western Europe, it was felt, was moving toward unity of spirit and outlook as well as military programs.

One difference marked French and British views.

The French were inclined to view the European council as being the "third force," which is to wield influence on a world-wide basis. There was a disposition in Paris to believe the Brussels treaty powers are linked

## B-36 Carries 42 Tons Of Bombs On Practice Run

Washington, Jan. 29.—(AP)—A United States B-36 bomber carried 42 tons of bombs aloft today—greater bomb load ever lifted—and dropped them on a California bombing range, the Air Force announced.

The bomb load consisted of 7.6 guided missiles.

The two huge bombs, without explosive charges, were dropped suddenly.

The B-36 took off from Carswell Base, Texas, flew to a bombing range at the Murdoc, Calif., air test base, and returned to the Texas field, ordinarily a round trip of 2,400 miles. However, additional time over the target and other deviations in the route brought the total distance to 2,900 miles.

The weight of the two 42,000 pound bombs lifted by the six-engine consolidated vulture plane was equivalent to a wartime B-17 flying fortress.

At take off the bomber, its bombs and fuel load totaled over 300,000 pounds.

On the non-stop flight of 2,900 miles, the bomber averaged more than 250 miles an hour.

## Illinois Sheriffs Reelect Officers At Closed Meeting

Bloomington, Ill., Jan. 29.—(AP)—The Illinois Sheriffs association re-elected all its officers at the close of a three-day meeting here today.

They are D. L. McGregor, Jackson county, president; Earl E. Spainhower, Peoria county, first vice president; Eugene La Fontaine, Kankakee county, second vice president; C. M. Dahler, Knox county, third vice president, and Elmer J. Hoffman, DuPage county, secretary-treasurer.

Jack Linden, Fulton county, was elected to the executive committee. Another executive committee member, Allan Crabie of Edgar county, was re-elected.

## Army Moves In To Break Snow Blockade In West

**By The Associated Press**

The army moved in Saturday on the first blizzard disaster areas of the west for the biggest bulldozer operation since the Lido road.

Given virtually a blank check by President Truman for "the relief of this area," the Fifth Army brought in personnel and more heavy equipment to break the snow blockades in the Missouri river basin.

Clear cold weather, meanwhile, spread over most of the blizzard-stricken west.

The weather was a boon to expanding rescue efforts, but an additional hardship for hungry, snow-stranded livestock.

The cold wave, which extended east to the Atlantic, also relieved the present threat of major floods in the midwest.

The president authorized Defense Secretary Forrestal to dip into funds setup for river and harbor control to speed relief work in the disaster areas. Forrestal can spend for bliz-

ard relief such funds as are available in the military establishment. The president will ask congress for a supplemental appropriation to replace blizzard relief funds spent by the military branches. He also sent to congress a request for a supplemental relief appropriation of \$500,000.

Maj. Gen. Lewis A. Pick, who directed wartime construction of the China-Burma road, was placed in charge of storm relief work in all the Missouri basin except Montana.

At Omaha, he described the job ahead as the biggest since the Lido road. Gen. Pick is the Missouri river division engineer.

Planes, bulldozers, helicopters, tractors, weasels, jeeps and huge primitive sleds already are at work in the disaster area. Now, however, General Pick will have the assistance of scores of private contractors, many of whom have been working on Missouri basin development dam building projects.

by a special bond of intimacy.

In Britain, however, the intimate bonds with the dominions were being remembered, as was the well-established cooperation with the United States.

Here there was a disposition to regard the European council not as a tight and exclusive association, but as one half of the wider Atlantic community. Some persons expressed hope such a community might include South American republics, as well as Canada and the United States.

As conceived, the consultative body will meet in the open, but will not discuss defense problems. The ministerial committee will meet secretly, and will propose subjects the consultative body may discuss openly.

## Chicago Judge Pledges To Stop Mass Evictions

Chicago, Jan. 29.—(AP)—The "Tulsa Plan" for mass evictions in protest against rent control has spread to Chicago—but a judge says it won't work.

Some 750 Chicago landlords who said they own 98,000 Chicago rental units voted overwhelmingly last night to withdraw their property from the rental market.

However, Chief Justice Edward S. Scheffer of Municipal Court said yesterday that any such mass movement of owners "would indicate they were not acting in good faith as required by law." He said the courts would "take all steps to halt any such mass eviction movement."

William Schmidt, president of the Chicago chapter of the property owners' association of America, urged the landlords to send out eviction notices immediately with an effective date of March 31.

Jack A. Rosen, executive secretary of the Chicago tenants' federation, telegraphed Illinois Senators Scott Lucas and Paul Douglas urging repeal of the portion of the rent law that permits landlords to withdraw their property from the rental market.

## Sheriff Is Looking For Artificial Feet For Crippled Boy

Elkins, W. Va., Jan. 29.—(AP)—A West Virginia sheriff is looking today for artificial feet for a boy he helped save from freezing to death.

Sheriff D. E. Croston directed searching parties which found John Helmick in a woods. Helmick and two young companions got lost in a snowstorm. The other two boys died from the cold.

It wasn't until Thursday—his 17th birthday—that Helmick was told his feet would have to be amputated. Just before that he had told the sheriff about new shoes he would have when he left the hospital.

A strong bond of friendship developed between the sheriff and Helmick. When the youth learned amputation was necessary his only comment was "I would like to have Sheriff Croston here when they do it."

The sheriff walked beside his friend to the operating room. He waited four hours while Helmick underwent amputation of both feet and part of his legs.

Then after the doctors reported Helmick's condition "satisfactory," Sheriff Croston announced he was going out to see about getting artificial feet.

## Ask State Dept. To Take Over U.S. Zone In Germany

Washington, Jan. 29.—(AP)—The Army appealing to President Truman, wants the administration of the U.S. zone of Germany turned over to the State department as soon as possible, it was learned tonight.

Army Secretary Kenneth C. Royall urged the switch in a formal recommendation to the White House.

## Say White House Repair Bill Will Be \$7,000,000

Washington, Jan. 29.—(AP)—It's a wonder that the White House hasn't caved in on some president and his family, architects said today after touring the 149-year-old structure with reporters.

If may cost as much as \$7,000,000—that's right, seven million dollars—and 18 months time to fix it up and make it safe. The entire interior, everything except the shell of outside walls, is to be replaced.

This means that President Truman and his family will have to live in nearby Blair house until mid-1950 or later, depending on when the actual work can be started.

They moved out of the White House a couple of months ago when the ceilings began to crack and the before structural experts found out floors started slumping noticeably.

The \$7,000,000 estimate on the repair bill came from Lorenzo S. Winslow, White House architect. The original guesses had run up to about a million dollars, but that was before structural experts found out how badly weakened the old building had become.

On a cellar to attic guided tour, Winslow and an assistant showed newsmen how interior walls had settled toward the center of the house, cracked ceilings and causing floors to sag.

## Charges Husband Married Her Just To Get To U.S.

Chicago, Jan. 29.—(AP)—A wife filed suit today for an annulment of her marriage, charging her husband married her for the sole purpose of getting to the United States.

First Lt. Margaret Wiesbauer, 30, alleged she became engaged to Johannes Wiesbauer, 30, when she was stationed in Vienna from May, 1946, to July, 1948. After her return to the states, her suit said, she aided Wiesbauer in obtaining a three-month temporary visa which allows fiances or fiancées of American service personnel to enter this country to marry their American sweethearts. Under the law, if the marriage takes place they are permitted to remain here permanently.

Lt. Wiesbauer said she and Wiesbauer were married at Elkton, Md., Aug. 2, 1948. And separated three weeks later. During that time, the suit stated, Wiesbauer made no attempt to consummate the marriage.

The suit said Wiesbauer now is employed at Marshall Field and Co., Loop department store.

## Report Vishinsky 'Gravely Ill From' Nervous Disorder

Prague, Czechoslovakia, Jan. 29.—(AP)—Soviet Deputy Foreign Minister Andrei Vishinsky is "gravely ill from a nervous disorder," a staff member of a Russian army sanatorium at Karlsbad said tonight.

"Mr. Vishinsky is unable to concentrate on anything," the staff member said. "He cannot be seen by anyone."

The sanatorium is located in the Hotel Imperial, one of the show places of Karlsbad, an ancient health resort 70 miles west of Prague not far from the German border.

Staff employees and a nurse made no secret of their concern over the condition of Vishinsky, one of the top figures in Soviet diplomacy.

The statement of his illness was the first official disclosure that Vishinsky was in Czechoslovakia. It was given out after a conference with one of his attendants.

Rumors circulated here Thursday that Vishinsky had been "trouble shooting" in Czechoslovakia.

These rumors stemmed from reports of dissemination in the Czechoslovak government and the Communist party that controls it. They were not confirmed.

## Couple Marries On Horseback

East Rochester, N.Y., Jan. 29.—(AP)—The "Whoos" mingled with the "I do's" at the wedding today of Francis Rowe, 22, and Barbara Smith, 21.

The couple was married on horseback near the ranch house on the Double Diamond ranch, during a light snowfall.

Justice of the peace Ward Hendee, all of the principals and many of the guests were on horseback.

## Truman Urges Ban Of Labor Injunctions

Washington, Jan. 29.—(AP)—The Democratic leadership moved today for a faster pace in congress toward President Truman's objectives.

Senate Democratic leader, Lucas (Ill.) summoned all Senate committee chairmen into a weekend huddle to lay out a schedule of action.

The first two sections of the president's economic program—relatively small but still significant—may get to a vote in the next few days.

Lucas told reporters that the aim of his caucus with the committee chairmen was to assure teamwork. "And I am sure that is what we're going to have," he added.

Responsible officials said disposition of Royall's proposal will turn largely on the advice to be given President Truman by Secretary of State Acheson.

Acheson, in office little more than a week, has been swamped with other matters.

Moreover, insiders regard it likely that he would want an exhaustive review made of the whole German problem, including the specific issue of administration.

Royall's recommendation to Mr. Truman, with copies to the secretary of state and other interested officials, is reported to have been made in mid-January. He returned from a tour of Germany January 3. Yesterday he left Washington for a visit to Japan.

The recommendation does not constitute any new Army policy. The military have made repeated attempts in the past to shift the occupation task to the State department. It was decided long ago that the start should be made in Germany with the changeover in Japan to come along later.

## Weather Man Says Illinois Will Get Warmer By Today

**By The Associated Press**

A second night of cold weather was predicted for Illinois Saturday by the weather bureau, with temperatures as low as -10 degrees in the northern part of the state.

The chill will be intensified in southern Illinois, where last night's cold cut down the headwaters flow into flooded streams, starting some recession of floods which have ousted 1,600 or more residents from their homes.

Early morning temperatures Saturday were as low as 14 below zero at Orangeville, a village in Stephenson county near the northwest extreme of Illinois. Orangeville was without electric power and water pressure as the result of power line breaks during Thursday night's sleet storm.

Rockford had -8 degrees early Saturday, and Chicago's 1.8 below was the coldest temperature this winter.

The cold brought clear skies to Illinois, ending more than a week of intermittent rain, sleet, and snow. Slowly rising temperatures were forecast after midnight Saturday.

## Champaign Area Threatened With Builders Strike

Champaign, Ill., Jan. 29.—(AP)—A wage dispute threatened today to break out into a general work stoppage in the Champaign-Urbana construction industry.

The Champaign County Contractors Association said its members are standing pat against any more pay hikes.

Wage agreements with the common laborers, electricians and sheet metal workers unions—all AFL groups—expire Monday midnight.

The unions have served notice their members won't work Tuesday without a contract. Plumbers have not worked since their contract expired Jan. 1. They seek a 25 cent raise to \$2.25 an hour.

Contracts said all major building projects would be halted if the laborers leave their jobs. This would include five University of Illinois construction jobs.

The laborers seek a 15-cent increase to \$1.65 an hour for class "A" workers and \$1.50 for class "B" men. Victor Vaughn, the union's business agent, said a final decision on a strike will be put up to the members at a meeting Monday night.

Electricians want a 25-cent boost to \$2.45 an hour. Sheet metal workers also ask 25 cents more, which would give them a \$2.25 hourly rate.

## Recover 70 Bodies From Sunken Sub

Hamburg, Germany, Jan. 29.—(AP)—The bodies of more than 70 men, women and children have been recovered from the hulk of a sunken German U-boat in Kiel Bay.

The submarine apparently was carrying refugees fleeing before the advancing Russian armies in 1945 when it was trapped on the surface and sunk by Allied aircraft in the bay, known as "the graveyard of the German navy."

The 1,600-ton submarine, an under-sea coffin to these victims is just one of more than 40 sunk off the German Baltic coast. This is the first grim evidence uncovered by salvage crews, however, that they were used to evacuate civilians.

## Truman Urges Ban Of Labor Injunctions

### Lucas Calls In Senate Leaders To Map Plans

Washington, Jan. 29.—(AP)—The Democratic leadership moved today for a faster pace in congress toward President Truman's objectives.

Senate Democratic leader, Lucas (Ill.) summoned all Senate committee chairmen into a weekend huddle to lay out a schedule of action.

The first two sections of the president's economic program—relatively small but still significant—may get to a vote in the next few days.

### USSR Asks Norway To Explain Stand On Defense Pact

London, Sunday, Jan. 30.—(AP)—A Tass dispatch from Oslo said today Russia has called on Norway to explain her attitude toward the projected North Atlantic defense pact.

The dispatch of the official Soviet news agency broadcast from Moscow said the Soviet government brought to Norway's official attention the fact that the two countries have a common frontier.

The Soviet union issued in Moscow yesterday a 34-page white paper asserting the pact was intended to establish British-American domination of the world by force. Russia described the pact as a plot against the United Nations and said she would fight it.

Talks are underway in Oslo between the foreign ministers of Norway, Sweden and Denmark on a proposed Scandinavian defense alliance.

Sweden is reported seeking a Scandinavian pact based on neutrality and not tied in with the North Atlantic alliance, which would embrace the United States, Britain, Canada, France and the low countries at the outset.

Norway has been reported wanting a Scandinavian alliance which would enable the three countries to obtain weapons and certain guarantees from the western nations.

## Plan To Establish Inter-Library Hub For Universities

Chicago, Jan. 29.—(AP)—Plans for establishment of a midwest inter-library center for use of midwestern universities and other participating institutions were announced today. The center will be in Chicago.

Ernest Cadman Colwell, president of the University of Chicago and chairman of the inter-library organizing committee, said the Carnegie corporation of New York has approved a \$50,000 grant for the center's establishment.

The universities which will participate in the center, under present plans, are the University of Chicago, the University of Illinois, the Illinois Institute of Technology, Indiana University, State University of Iowa, Michigan State College, the University of Minnesota, Northwestern University, Purdue University and the University of Wisconsin.

The center will be a cooperative enterprise to improve the library resources of the midwest. It will furnish central housing and servicing for cooperative deposit and house research materials of the participating libraries.

December 1948 milk production of 391 pounds per cow was the record-high average for the month in Illinois.

## Britain Joins Bandwagon Of Recognition Of Israel

London, Jan. 29.—(AP)—Britain recognized Israel today, giving the Jewish state the recognition of all the Big Four.

Belgium, The Netherlands and Luxembourg also climbed aboard the Bandwagon.

The United States and Russia recognized Israel when the State was formed last May. France extended recognition Monday.

Among the world's large powers, only China has not yet recognized Israel.

Britain's recognition is DeFacto, or qualified, as was that of the United States. It means recognition of existence of the state. Indications are that Britain will not grant de jure recognition (meaning acceptance of full diplomatic and legal status as a nation) until Israel's borders have been fixed and peace has been restored to the Middle East.

### Asks Cooling Off Procedure Be Provided

Washington, Jan. 29.—(AP)—The Truman administration urged Congress today to throw away the weapon of court injunctions for blocking national emergency strikes. It called instead for a voluntary cooling off procedure.

Formally submitting legislation for revising basic labor laws, the administration demanded repeal of the Taft-Hartley law and a restored Wagner act bearing "improvements" President Truman wants.

Erasing the Taft-Hartley law also would junk these familiar union restrictions:

The requirement that union officials must swear they are not communists if they wish to deal with the National Labor Relations board.

The probation against political spending by unions.

The ban on the closed shop, which requires employers to take on only union members.

Supporters of the Taft-Hartley law already have begun a fight to keep those and many other provisions of that act on the books.

### Air Force Reveals New High Flying Guided Missiles

Washington, Jan. 29.—(AP)—The Air Force said today it has developed two new high altitude rocket-guided missiles, with controls which can aim them from the ground at a target while in flight.

One of them, the 774, was described as "potentially capable of attaining altitudes of more than 100 miles." This, the larger of the two, is 32 feet long, compared with the 45-foot length of the wartime V-2 rocket of the Germans.

An Air Force spokesman said that "these are true guided missiles which can be launched in one direction, then changed in their flight to hit another target."

The formal announcement referred only to control of the rockets by four movable fins. This did not explain how the fins are actuated from the ground. Air Force experts said that presently the degree of control is not great, but it does exist.

### Italian GI Bride Gets U.S. Husband For Lonely Sister

Saginaw, Mich., Jan. 29.—(AP)—When Mrs. Mary Beach came to America from Rome, Italy, with her GI husband in 1945, she had only one regret.

She was leaving behind her younger sister, blonde, 22-year-old Celestina Ansellotti. She knew Celestina was "alone and lonesome back there," and she wished there were some way she could share her happiness.

Suddenly, months later, she thought of a way.

Mrs. Beach sent Celestina's picture to a Detroit paper. It was published with a story describing the girl as "very attractive." A Detroit Baker, 34-year-old Frank Manocke, saw the picture, agreed with the description and was soon corresponding regularly with Celestina.

The storybook ending took place today in Saginaw, where Mrs. Beach lives. Manocke and Celestina were married at Our Lady of Mt. Carmel church. Mrs. Beach watched the ceremony, smiling and completely happy.

The new bill was sent to the capital by Secretary of Labor Tobin. He will discuss it Monday before the Senate Labor committee.

Mr. Truman's drive to get rid of the Taft-Hartley law already has stirred furious debate in congress. Backers of the present law predict the move will fail. Foes are claiming that repeal is a foregone conclusion.

In addition to new "national emergency" machinery, the administration bill contains these things:

1. A ban on jurisdictional strikes and "unjustifiable" secondary boycotts.

2. A statement that it is the "public policy" of the U. S. for labor contracts to contain clauses providing for arbitration of disputes over interpretation of the contract.

**Return Mediation Board**

3. Return of the federal mediation and conciliation service to the labor department, and change of its name back to "U. S. Conciliation Service."

The AFL and CIO, studying the administration's move, withheld official reaction.

In Ohio, Senator Taft (R), leader of forces battling the attempt to wreck the law bearing his name, commented:

"The administration has surrendered to the labor leaders on two provisions: (1) the national emergency strike measure, and (2) the impartiality of the national mediation service. The first is a milk and water version of the original (Taft-Hartley) clause."

President Truman, in messages to congress, had asked for banning of jurisdictional strikes and "unjustifiable" secondary boycotts, preventing disputes over interpretation of contracts, and strengthening of the labor department.

## REDS TO RESTORE MONASTERY

Moscow.—(AP)—The committee on architectural affairs has approved a plan for restoring the Andreonovsky Monastery, one of the Capital's oldest pieces of classic architecture.

The monastery includes a cathedral built during the 15th century. First to be restored will be the Trappist Palata, monastery dining hall, constructed in 1505 during the reign of Ivan II.

## RELIEF FOR STORM AREAS

Federal and state expenditures for the western states struggling under blizzard conditions will run into millions of dollars, and will be fully justified. Nebraska alone asks the federal government to match a half million in aid for its western counties.

While the government cannot come to the aid of all victims of the weather, it helps tornado victims and it owes assistance to these winter storm victims.

The public will be repaid in meat costs, now threatening to rise as a result of hardship in the range lands.

## SPEEDING THE DAY

Two "impartial" jurors in a recent Georgia lynch trial left the jury box for the witness stand, testified that they would not believe the lynch victim's widow under oath, then rejoined their fellow jurors and promptly found the defendant not guilty.

The next day Governor Talmadge's forces presented the legislature with a new voting program. It would revive the poll tax and otherwise tighten the restrict registration requirements to a point where a lot of citizens, white as well as colored, would certainly lose their vote.

The state government of Georgia seems to be doing everything it can, through such clumsy methods as these, to force enactment of the federal anti-lynch and anti-poll tax laws that it is fighting against.

# In Greece, as Elsewhere, War Hits the 'Little People' Hardest

This row of American pyramid-style Army tents is home to Greek refugees at a camp in Ionnina. As many as seven families often live in one tent. The camp is badly located on the side of a hill. Water runs through the tents, adding to the miseries of the homeless. The ditch which runs in front of the tents is the only facility for sanitation the camp possesses. Once, this spot was an old Jewish walled cemetery.

Inside this one tent live 27 persons, refugees from the village of Vasailiko in the Pogoni region. Although the Greek army has recaptured their home, they don't feel safe in their own beds because of continuing guerrilla activity. They prefer the tent, where each family lives in two to four square yards.

Cooking, since there are no stoves at the Ionnina camp, presents a problem. Most of the Greek women cook over open fires in front of their tents. This woman's mid-day meal is a panful of fried onions.

This woman was happy, because she had something to do. Her husband built her this loom, and she was the only refuge to do constructive work.

The sturdy Greek peasant women refuse to give in to despair. This woman, carrying a load of fodder from the fields near Dodoni, does double duty. While working, her hands are busy twisting coarse yarn.

In Greece today, almost 10 per cent of the population is homeless. Many refugees camps take care of the estimated 600,000 persons forced to flee the civil war. Through one of these camps went Mrs. Cornelia Pinchot, widow of the former governor of Pennsylvania. "Curious old ladies were about as welcome as curious reporters," she said, on her return, but nevertheless her curiosity was rewarded. She visited this camp in Ionnina in the Pindus Mountains region, where the refugees lived in American Army tents and ate relief rations. She found no stoves, almost no mattresses, no beds or furniture. And sanitary facilities were nonexistent. Many Greeks fleeing to the hills do so because they feel conditions could not possibly be worse under the Communists. Americans dare not fail in the Greek experiment, says Mrs. Pinchot, lest this philosophy of despair spread to other non-Communist countries. Mrs. Pinchot brought these exclusive pictures back with her.

## Births

Mr. and Mrs. James Dearing of Chandlerville are parents of a son born Friday at 8:09 p. m. at Our Saviour's hospital. The weight was six pounds, ten ounces.

## Rev. G. M. Hayes, Former Pastor of East Circuit, Dies

Word has been received here of the death of the Rev. George M. Hayes, a former pastor of the Methodist East circuit. His death occurred Friday at 11 a. m. in Miami, Fla., where he was spending the winter months.

The Rev. Hayes was born on March 9, 1881, at Mt. Vernon, Ky., where he spent most of his early life. He later came to Illinois, where he married Miss Bina Louis of Medora in 1901. To this union were born one daughter and three sons.

The daughter died in infancy, and one son, Carl, died while the family was living at 511 East College avenue in this city. Mrs. Hayes passed away in Hamilton, Ill.

In 1940, the Rev. Hayes was married to Myrtle Barry, who survives, together with two sons, George L. Hayes of Wood River and Eugene Hayes of Morris, three grandsons and one brother, John Hayes of Rockville.

The Rev. Hayes served as pastor of the Methodist East circuit for seven years. He had served several pastorates in Central Illinois before coming here from White Hall, where he had served five years.

The body will be taken to Wood River, where funeral services will be held Tuesday at 1:30 p. m. at the Marks Funeral Home. Burial will be at Medora.

## EBENEZER W. S. C. S. TO MEET THURSDAY

The postponed meeting of the Ebenezer W. S. C. S. will be held Thursday at the home of Miss Ruby Deeweese, 1617 South Main street. A potluck dinner will be served at noon, followed by the business session at one o'clock. Sewing will be done for Passavant hospital.

## Patricia Bradley Becomes Bride of Donald E. Fugate

The Ewing Room of the Third Baptist church in St. Louis, Mo., was the scene of the marriage of Miss Patricia Bradley, daughter of Dr. and Mrs. W. C. Bradley, 1201 South Main street, and Donald Eugene Fugate of St. Louis, son of Mrs. T. R. Fugate of Joplin, Mo.

The wedding took place at 8 p. m. on Friday, Jan. 21, with Dr. J. Oscar Johnson receiving the vows in a double-ring ceremony. For the wedding occasion, the altar was adorned with baskets of white gladioli and carnations, arranged against a background of candlelight.

Appropriate wedding selections were played before and after the ceremony, with Lohengrin's wedding march used for the procession.

The entire ceremony was recorded by the bride's cousin, Dr. John Lewis. The attendants were Mr. and Mrs. Robert Fugate, brother and sister-in-law of the bridegroom.

A single white orchid was used by the bride to complement her dress of navy blue silk. Her attendant also wore navy blue, with white accessories and a gardenia corsage. A dress of rust colored crepe, with black accessories and a corsage of gardenias was worn by the bride's mother.

Friends were received at the church following the wedding ceremony. Mrs. Fugate attended MacLurray college and was formerly employed at the Journal Courier. Her husband is comptroller at the Charter Oak Stove and Range Co., in St. Louis.

The couple are making their home at 6000 Arenades Drive, St. Louis. They plan an extended wedding trip through the West for early fall.

## FILES FOR DIVORCE

Mildred Zeller has filed suit in circuit court against John Joe Zeller, asking a decree of divorce on alleged statutory grounds. They were married June 7, 1939, at Alexander. The plaintiff is represented by Richardson, Wilhelm & Davies, a law firm of Ottawa, Ill.

## JOIN THE FIGHT AGAINST POLIO

The foul weather has hampered seriously Jacksonville's annual March of Dimes campaign. Collections at the booths on the square have been far below average. More money is needed.

If you haven't made your contribution yet, please mail or bring it to THE MARCH OF DIMES CAMPAIGN HEADQUARTERS, 226 West State Street.

## DR. ADAMS BECOMES ILL AT CAMBRIDGE

Dr. A. L. Adams of this city became suddenly ill while visiting at the home of his son, Dr. George Adams, 416 Mt. Auburn street, Cambridge, Mass. Word of his illness was received here by Attorney Carl E. Robinson.

Dr. Adams went to Cambridge about a week ago, after the funeral of Mrs. Adams, whose death occurred here two weeks ago.

## SINGAPORE BILL SHORTAGE IS MYSTERY

Singapore—(P)—There's a strange shortage here of \$5 and \$10 bills, but it is estimated should be improved in a month or two.

Chief Currency Officer C. G. Dickens says a special shipment of paper has arrived from the United Kingdom and the shortage of the past four months should soon be ended.

Rumor had it that people were hoarding the currency notes to avoid the colony's new income tax. A Straits dollar is a bit less than 50 U. S. cents.

According to Willys of Hollywood, women will dress like this in a few years. But Willys is a hosiery designer, so maybe he's a mite prejudiced. Imagine Williams, in San Francisco, wears a pair of tights and a hemline higher than today's fashions.

## Burglars Visit Service Station At Murrayville

The Socony-Vacuum service station at Murrayville operated by Donald Rea was burglarized Friday night or early Saturday morning, the loot consisting of \$11 in cash and merchandise valued at about \$130.

Two automobile tires, 30 cartons of cigarettes, 19 boxes of candy, a number of gloves, peanuts, and other articles of merchandise were stolen.

Deputy Sheriff John Irlam was notified of the burglary and went from his home at Woodson to Murrayville early Saturday morning to make an investigation. He said the burglars twisted the lock off the front door to gain entrance.

Rea's service station is located at the south edge of Murrayville on U. S. Route 67.

## WHAT EUROPE WANTS: NOT CHARITY, PROPAGANDA, BUT a 'CULTURAL SWAP' to PROMOTE FRIENDSHIP

French farmers, hard at work to make their harvest rebuild France, know that Marshall Plan aid comes from America, but few of them realize American farmers and workers pay for it.

By S. BURTON HEATH  
NEA Staff Correspondent

New York—(NEA)—The town of Morgansville, Kans., sent the script of a two-hour pageant to the village of Feves, in France. The script told Morgansville's history—a tale of Indian fighting, dust storms, tornadoes, grasshopper plagues, among other things.

"When I got to Feves one afternoon I found it completely deserted," said Charles L. Todd, executive secretary of Operation Democracy. "Everybody was at the schoolhouse. The children had been there for hours rehearsing songs, in honor of the visit of a plain American citizen who represented to them American friendliness and helpfulness."

"After they had sung to me, the mayor made a speech in which he referred to the hardships that Morgansville had gone through and he asked me to take back a message of sympathy."

"I tell this simple little story because it symbolizes something very worthwhile that is coming out of the post-war affiliation between American and European communities—a real, lasting understanding."

"Out of that pageant script the people of a French town learned that not all Americans are rich, that American money doesn't come easily, that the Americans who are helping them are just ordinary, hard-working people who themselves often have a tough time getting along—but, just the same, want to help somebody who is playing in even harder luck."

Todd has recently returned from a two-month visit to some 30 war-devastated towns in France, Holland and Luxembourg, convinced that the time has come for American sister-towns to begin sending gifts that will

promote international understanding, instead of casual grab-bag charity.

"These people get most of their ideas from the movies, which often do not portray day-by-day normal American living habits. Where I was, almost nobody heard the Voice of America. Everybody listened to the Army radio at Stuttgart, which broadcasts popular music—but doesn't tell them how Americans live and work."

"I discovered that the average French farmer doesn't even realize that Marshall Plan aid is supported by taxes paid by American farmers and workers. They thought that American government aid actually comes out of the pockets of men and women who are new and a bit startling to them."

Chanute, Kans., has a town-to-town arrangement with Zevenbergen, Holland. The people of Chanute, like those of many other American towns, were disturbed about the Indonesian situation.

But in addition to sending concrete gifts, Chanute has developed a pen-pal program with its Dutch proteges, and more than a score of persons in each of the cities have been corresponding back and forth. So the Chanute folks asked their Dutch friends, frankly, what was going on, and the Dutchmen, just as frankly, wrote back how it looked to them.

"The thing that is needed in western Europe today," says Todd, "is something that individuals and communities can do—and are doing—in intelligently operated town-to-town programs. It isn't charity. It isn't propaganda. It is exchange of simple, understandable knowledge and facts."

"Government propaganda can't

reach them. They've grown to distrust government propaganda. They know that a great struggle is going on between Russia and the United States, but they don't really know what it is all about."

"Their great desire is to know the truth about the United States. They want things that explain our country to them more than they want food or old clothes we could send. They want scientific magazines—the popular kind—and women's magazines, and magazines with pictures. They want movies that show how American live and work—not Hollywood versions. They want specimens of our art and music, pictures of the men and women we respect and honor, gadgets, examples of American ingenuity and know-how."

"That is the sort of thing that will make the people of western Europe lasting friends of the United States—not charity. Charity never makes real friendship."

## Dr. Crouch Gives Many Books To Carrollton School

Carrollton—Dr. John W. Crouch, who is closing a twelve year pastorate in the Baptist church this month and in so doing is closing a lifetime of pastoral and teaching work, is disposing of his personal library mainly by gifts.

The local high school received over 100 volumes consisting of histories, 30 volumes of Warner's World's Best Literature and 4 volumes of the Illustrated Life of Christ. Over 200 volumes will be sent to the Hannibal-LaGrange College at Hannibal, Mo., of which Dr. Crouch was president for over twenty years. A few of the books have been sold by Dr. Crouch to a book dealer in Carrollton but in the main the library, other than that which he is keeping for his personal use which amounts to some 300 volumes, is being given away.

Dr. and Mrs. Crouch are leaving here next month to retire from pastoral work in West Columbia, Texas.

## Swiss Steak Greets Family At Door

**MENU**  
Swiss Steak  
Baked Potatoes

Stuffed Prune Salad  
Baked Custards

Swiss steak is just the kind of meal the family loves to come home to in the evening. Good sized, filling pieces of meat cooked to tenderness in a succulent tomato sauce, the aroma greeting each person as he enters the door is enough to bring peace and content to any family!

Of course you know that beef arm steak or beef round is the cut to buy to make swiss steak. About 1 1/2 pounds will serve six. Did you know that veal makes delicious swiss steak? The flavor of the veal and the tomato are natural companions—in fact, these two flavors form the basis of some of the best Creole cookery.

Your meat dealer will undoubtedly pound the steak for you a bit if you tell him you are going to make it into swiss steak. This is to shorten some of the long fibers in the meat and thus to mechanically make it more tender. Your part is to cook it properly so that it will be completely tender. After you get the meat home, you will want to complete the pounding process, using a meat hammer. At the same time pound seasoned flour into the meat, so that it will brown perfectly and be flavored just the way you like it. The steak may be cooked as one

## New Uniforms For Aviation Cadets

Sgt. GUY A. Symmonds of the U. S. Army and Air Force recruiting station announced Saturday that the Aviation Cadets of the U. S. Air Force will return to blue uniforms similar to those worn before the war and which were replaced by khaki in 1942, when the next class begins April 4.

The service coat of medium dark blue is single-breasted and has four pockets, oxidized silver buttons, and no belt. The trousers, of the same shade of blue, have a blue web belt with a silver buckle. A blue, waist-length "bathtub jacket" will be issued for informal wear.

The full length dark blue overcoat is double-breasted and has oxidized silver buttons and side pockets. Cadets will wear dark blue and silver gray shoulder boards with all uniform combinations to indicate cadet rank.

The first class to wear the new uniform will also be the first in the new schedule calling for classes every six weeks instead of three times a year.

The summer uniform, of khaki shirts and trousers remain unchanged.

## NEWMANSVILLE UNIT OF HOME BUREAU HOLDS MEETING

Ashland—Mrs. B. B. Clark entertained the Newmansville Home Bureau on Wednesday afternoon, with nine members and two guests present.

The major lesson, "Six Guides to a Well-Designed Dress," was demonstrated by Miss Lerota Neumann and Mrs. Herschel Clark. The health topic, "Mental Stress," was given by Mrs. Edgar Reimer. Miss Neumann gave the minor lesson on "English As It Is Pronounced."

### Ice Halts School Buses In Jersey County Districts

Jerseyville — Ice conditions here Thursday morning were so severe that bus schedules for school children were halted for the second consecutive day. Schools, however, continued in regular session with pupils

from the immediate vicinity in attendance. The ice early Thursday morning was heavier than Wednesday. Motorists were few in number until a heavy rain began falling about ten o'clock. The rain broke up the ice and changed the former slippery surfaces into slush.

During the severe ice condition of Wednesday morning, State's Attorney and Mrs. Alvin H. Pettit underwent a unique experience on one of the rural routes leading to Otterville.

**Ice-Bound in Valley**  
Mrs. Pettit had been teaching at the Otterville school during the current school year. She and Attorney Pettit left Jerseyville early Wednesday morning en route to Otterville. They descended one of the hills of a part of the Otter Creek valley, but their car was unable to crawl up the adjacent hill slope before

Pettit then turned the car about and attempted to return to Jerseyville. The same experience was encountered. When road conditions improved with a slight thaw Pettit was able to drive his car back to Jerseyville. It was 1 p. m. when he got out of the ice bound valley of Otter creek.

## ASHLAND

Ashland—Mrs. Alfred Decker of Chicago arrived here the fore part of the week to visit at the home of her brother, Dave S. Hexter, and other relatives.

Mrs. Esther Hexter arrived home the first of the week from a week's visit in St. Louis, Mo., at the home of her sister and husband, Mr. and Mrs. Arthur Fishell.

Bill Hammack left Tuesday morning for his home in Denver, Colorado, after a three months stay at the home of his uncle, Paul Hammack and family. Bob Hammack, his cousin, accompanied him home for an indefinite visit.

Mrs. Lee Irwin returned to her home Tuesday after a few days stay in Rock Island at the home of her daughter, Mrs. Herbert Landreth. She was called there by the illness of another daughter, Miss Anna Mae Irwin, who underwent an operation for appendicitis at the St. Anthony hospital at Moline, Ill.

Clyde Clemons, who was a surgical patient at the Memorial hospital, Springfield, returned to his home last Monday evening.

Miss Mary Gutmann was admitted to Our Saviour's hospital, Jacksonville, Tuesday afternoon as a medical patient.

## FRENCH GOVERNMENT PAYS FOR BABIES

Paris—(AP)—To encourage births, the French government now gives couples \$6,000 francs (about \$120) for a first child born within three years after marriage, and 24,000 francs (\$480) for each additional child born not less than three years after the previous birth.

### Three Directors Named By Farm Service Company

Carrollton—Roy Short of Carrollton, Roy Hopper of Athensville and Eugene Rawlings of Roodhouse were named to the board of directors of the Greene County Service Company at its annual meeting held Tuesday evening in the Greenfield Community high school. The other members of the board are N. J. Kirchbach, Carrollton; Kenneth Davis, White Hall; Henry Steinacher, Carrollton and Grant Melvin of Greenfield.

The guest speaker Tuesday evening was E. O. Johnson, sales manager of Plant Food and Feed Department of the Illinois Farm Supply company.

### Mary E. Hubbard Named For D.A.R. Student Award

Carrollton—Miss Mary Ellen Hubbard, daughter of Mr. and Mrs. J. F. Hubbard, has been chosen by her fellow members of the Senior class of the high school to receive the D. A. R. award which is presented yearly to a senior, Miss Hubbard was selected for her dependability, patriotism and qualities of leadership and the award will be presented at her graduation this spring.

The members of the F.F.A. and the F.H.A. of the Carrollton high school had a party Monday evening in the home economics room of the school building.

Elza Bown of Jacksonville, a memory expert, gave an exhibition of his skill during the afternoon assembly hour Thursday in the public school. Bown came to the school highly recommended for his feat of memory including such things as remembering numbers and the order in which they were arranged some time after they had been erased from the blackboard on which they had been placed.

### CONCERNING JACKSONVILLE SAVINGS AND LOAN ASSOCIATION

There are 2206 members in fourteen states and two foreign countries. These members hold Savings and investment shares totaling one million eight hundred and forty thousand seven hundred sixty three dollars.

This is an increase of 1645 members since a year ago, and an increase of \$298,798 of invested funds.

Dividends totaling \$32,670.00 were paid on these accounts in 1948.

The money each member invested is insured up to \$5000.00 by the Federal Savings and Loan Insurance Corporation.

These funds totaling \$896,759.00 were loaned to 190 different borrowers, as follows:

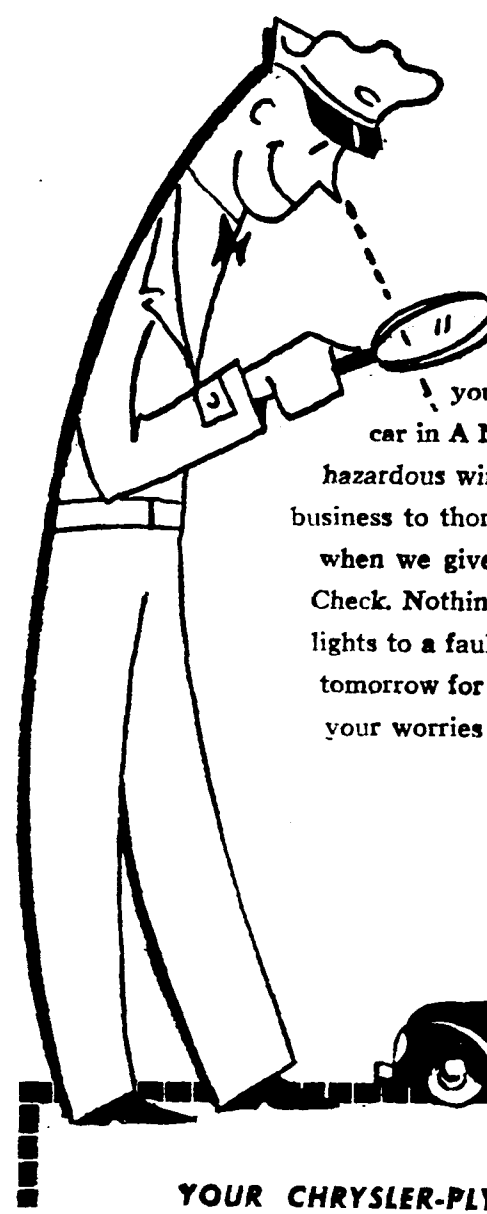

To G.I. Veterans, 25 loans totaling \$118,900.00 for buying, building and repairing homes.

165 loans totaling \$777,859.00 were made on a direct reduction plan for construction of 28 new homes, purchase of 71 and remodeling of 8 homes. Refinanced 50, placing their loans on an easier plan for repayment, which includes interest, principal, taxes and insurance in one payment.

The growth of the Jacksonville Savings and Loan Association is shown in the following table.

1944	.....	\$1,170,087.81
1945	.....	\$1,272,057.51
1946	.....	\$1,449,714.49
1947	.....	\$1,839,423.94
1948	.....	\$2,297,559.11

As a result of this increase, the Association has been able to render a greater service to savers who have funds to invest and home owners who are buying their homes. The Jacksonville Savings and Loan is a member of the Federal Home Loan Bank System, The Federal Savings and Loan Insurance Corporation, The United States Savings and Loan League, and the Illinois Savings and Loan League.

The president was the honored guest of the New England Alumni society at its informal dinner meeting at the Harvard Faculty club on Jan. 14.

Dr. Hudson reported on the college to members of the Washington Alumni society who met for dinner on Jan. 17. Other speakers at the dinner were James M. Barnes, '21, former congressman from this district and a trustee of the college; Col. Edward Clifford, '96, former under-secretary of the treasury, and C. Eiland Ericson, '34, head of the Associated Press Wirephoto service. H. Dean Cochran, '18, president of the Washington group, was toastmaster for the dinner.

The president spoke at the luncheon meeting of the New York Alumni society on Jan. 22 at the Hotel Lexington. He told of the progress of the college year and gave a resume of events and happenings on the campus. Dr. Frederick C. Tanner, '98, New York attorney and son of former Illinois College president, Edward A. Tanner, and Dr. Howard E. Wilson, '23, of the Carnegie Endowment for International Peace, were also speakers at the luncheon.

Each of the eastern alumni meetings were well attended, many members of the societies driving from nearby states to attend.

## Thos. S. Scott, Former Theater Owner, Dies

Thomas S. Scott, 79, prominent retired motion picture theater owner, died Saturday morning at a local hospital following an illness of several months. He fell from his bed on January 17, fracturing a hip, which was a contributory cause of death.

Mr. Scott was born in Jacksonville, May 1, 1869 and had always made this city his home.

When a young man, Mr. Scott was engaged in the shoe business, having been associated with Joseph Burgett on the north side of the public square.

While engaged in the shoe business Mr. Scott pioneered in the motion picture theater business in this city. He opened a theater on the square next door to his shoe store. He later became owner of the then Grand theater on the northeast corner of the square which he operated until he sold the property to the Fox Illinois theater. He also was the owner of Scott's theater on the east side of the square near Morgan street.

Mr. Scott was united in marriage

to Miss Beulah McClintock, who preceded him in death August 3, 1948. He is survived by one sister, Miss Fannie Scott, 347 West Douglas avenue. He was preceded in death by two brothers, Dr. Charles Scott and Walter Scott, and one sister.

Mr. Scott was a member of Central Christian church.

The body is at the Cody & Son Memorial Home where funeral services will be held Monday morning at 10:30 o'clock with Rev. Roy Hulan officiating.

Burial will be in Jacksonville cemetery.

## Dr. Hans Kohn to Lecture at I.C. Tuesday Evening

Dr. Hans Kohn, one of the foremost authorities in the field of international affairs, will be the visiting lecturer on the Illinois College campus on Tuesday evening, February 1. His lecture, entitled "Is There a Future for Europe?" will begin in the Jones Memorial Chapel at eight o'clock.

DR. HANS KOHN

Professor of history at Smith College since 1934 and visiting professor at outstanding colleges and universities throughout the country, Dr. Hans Kohn has written many books in his field, the latest being "The Idea of Nationalism and Prophets and Peoples." He was born and educated in Prague, Czechoslovakia, and has traveled extensively in Europe and in the Near and Middle East. His last visit to Europe was in 1947.

His present engagement, the second in the Illinois College Lecture Series, culminates the desires of several years on the part of both students and faculty to have him lecture in Jacksonville.

The road to the Jacksonville Country Club has been cindered from the hard road and is now passable.

## Modest Gains Are Made in Grains

Chicago, Jan. 29—(P)—Modest gains were made by most commodities on the Board of Trade today. Wheat gave the best display of strength while oats inclined to lag behind the rest of the market. Dealings were at a rather slow pace, which is normal for Saturday.

Wheat took on some steadiness on the theory the Commodity Credit Corporation still has a good deal of cash wheat to buy to meet export claims. The goal is for export of 500,000,000 bushels of wheat and flour for this crop year, which ends June 30.

There has been no indication of any change in this program, despite the fact eastern ports have become clogged because of lack of shipping facilities. One grain house estimates the CCC still had 70,000,000 bushels of wheat to buy to meet first quarter export allocations.

Wheat closed 3-1/2 higher, May \$2.20-2.19, corn was 1-1/2 higher, May \$1.40-\$1.41, oats were 1/2 lower, May 70¢-71¢, rye was 3¢ lower, May \$1.56, soybeans were 1-1/2 higher, March \$24.44-1, and lard 7 to 10 cents a hundred pounds higher, March \$14.77.

Chicago carlot grain receipts of grain in cars here today: wheat 7, corn 165, oats 8, rye none, barley 9 and soybeans 6.

## New York Stock Market

New York, Jan. 28—(P)—Selective buying developed today in a steady stock market.

Paint downward tendencies observed at the start later were off and plus signs appeared with increasing frequency. Trading was slow throughout the two-hour session with turnover at the rate of around 300,000 shares.

Yeastman Sheet & Tube took one of the wider price swings. The stock opened 2 points lower on a deal of 1,000 shares but this loss was later cut.

National Steel on the other hand advanced 1 1/2 at one time and smaller gains appeared for U. S. Steel, Bethlehem, and Republic.

Curtis-Wright was seen frequently on the slow-moving ticker tape at fractional mark-ups.

Also higher were General Motors, Goodrich, Montgomery Ward, Kennecott, Cooper, and American Can. Corporate Bonds moved narrowly.

**Markets at a Glance**  
New York, Jan. 29—(P)—Stocks—Steady; selected issues inch ahead.

Bonds—Narrow; some rails improve.

Cotton—Firm; higher cotton parity.

Chicago  
Wheat—Firm; short covering.

Corn—Steady; helped by wheat firmness.

Oats—Mixed; trade light.

Soybeans—Steady; short covering.

Hogs & Cattle—Nominally steady.

Our store will be closed Mon., Jan. 31st to complete inventory.

## Conflict Of New, Old World Told By MacLeish

In Friday night's lecture by Archibald MacLeish at Music Hall of MacMurray college, a large audience heard the most cogent analysis of the nature of the world crisis yet presented from a platform in this city.

"Many people would answer without hesitation that the cause of the present world crisis is U. S.-U.S.S.R. relations, and this explanation is all right as far as it goes," said Mr. MacLeish. "But it does not go far enough. The real conflict is one in time between two worlds, one dead, the other struggling to be born."

"The old world was a cellular society, a tight, tribal world in which man recognized his destiny, had security, and living only in his orderly relationship with other human beings—the world of the status quo. In a way it was a good world, but it ceased 400 years ago."

**Born In Dreams Of Men**  
"The new world is one of the revolution of the individual. It was born in the dream of men who conceived a new society of the whole, complete freedom of creative individuals in which the realities are character and conscience. If this analysis is accepted, the U.S.-U.S.S.R. conflict is viewed in a new light."

"It is only in this light, he said, that we can explain a generation of horrible and brutal wars not only between armed forces but between civilians; only thus explain the universal wave of hatred and suspicion, the general contempt for humanity and human values, the sense of fatality and inevitable catastrophe approaching."

"Since neither country's ideology is seriously threatened internally by the actions of the two; the frenzied abuse of us by Soviet diplomats and press, and the extraordinary lengths to which that government has gone to keep its citizens from contact with the West."

**Neurotic Side Also**  
"We too have shown a neurotic side—troubled, excitement, complacency about infringements of the rights of people accused of Communism, disloyalty to our ancient pride in justice and dislike of informers, and a dangerous demand that our foreign policy and its makers shall be, not primarily American, but anti-Russian. All this indicates a collision of some deep elements in our natures."

As a key to what is happening to man in our time, Mr. MacLeish called as witnesses ourselves and our observations, our artists and writers' psychologists, and the one new philosophy, existentialism. All testify to the thesis that the economic and social forces which liberated Western man from his ties with the Middle Ages did so in a negative way, making it impossible for him to achieve the new complete freedom.

"Instead, man is overwhelmed by a sense of the vastness, complication, impersonality, and even unfriendliness of the universe. He is unable to communicate in old forms, and the result is an unendurable sense of 'moral aloneness.'"

**Two Escapes**  
"Man seeks to escape this aloneness in two ways," said MacLeish. "by crawling up (or down) the ladder of the past, and by killing the self in themselves and becoming like everybody else. This is the essence of Communism, which is not a revolution, but a reaction—a return to the old, cellular, tribal society. Our nation is not one of reaction in the defense of the status quo, but is a symbol of the revolution. The terms are used in exactly the wrong way. The U.S.S.R. represents, not the 'Wave of the Future,' but 'The Wave of the Past.'"

"Whether we like the idea or not," the speaker concluded, "we were committed by the founders of the republic to the doctrine of the revolution of the individual. And this battle can be fought only by individuals who make up their own minds and do not merely echo the 'yes' or 'no' of the most vociferous press and radio voices."

"We should stop the double-talk which confuses freedom with the status quo, and make clear as our

goal the existence of whole, free, creative individuals and not prosperity or ease of life. The Declaration of Independence is the most revolutionary doctrine in the world, and if we betray it, we will emasculate ourselves as a nation."

## Tax Problems to Be Discussed By C. of C. Speakers

More than a year of tax research in all 102 counties of Illinois will be behind the reports of Illinois State Chamber of Commerce spokesmen at the regional legislative conference in the Dunlap Hotel next Friday, February 4, at 6:30 p. m. It was announced Saturday by W. H. Kurtz, manager of the Dunlap Hotel, and Vice President of the Illinois State Chamber of Commerce.

The Jacksonville Chamber is co-operating with the state organization in sponsorship of the dinner-meeting, which is the sixth in a series of regional preview sessions on 1949 legislative issues at Springfield. Fourteen west central Illinois counties are included in the Jacksonville meeting region. Adams, Brown, Cass, Christian, Greene, Hancock, McDonough, Macoupin, Menard, Morgan, Pike, Sangamon, Schuyler and Scott. Local chambers of commerce in each of these counties have been invited to send delegations here.

**Ticket Sale in Progress**  
Ticket sales are being handled by the Jacksonville Chamber. Anyone in the city of Jacksonville, whether they are members of the Jacksonville Chamber or not, is invited and urged to attend the meeting if they are interested in the current problems of the State Legislature. Tickets may be secured by phoning the Jacksonville Chamber of Commerce or calling at the office located in the Gibson building.

In addition to discussion of state and local taxation, specific recommendations for revision of state unemployment compensation tax laws will be heard. Discussing taxes will be Harry C. Williamson, of St. Louis, real estate and tax officer, Union Electric Co. The unemployment compensation problem will be described by Paul M. Fitch, Mt. Vernon, secretary-treasurer, Hawkins Million & Hen, Inc. Both men are members of State Chamber committees which have studied the problems.

The members of the State Chamber staff in Chicago will be on hand to help answer questions. They are Kermit E. Johnson, manager, social security department, and George J. Lawrence, manager, tax department.

Mr. Kurtz will preside at the meeting.

**Church Women to Hear of Europe's Displaced Persons**

The Rev. Dale Robb will speak on "The Plight of Displaced Persons" Friday, Feb. 4, at 2:30 p. m. at the State Street Presbyterian church. The Rev. Robb, pastor of a Presbyterian church at Hersman, will appear under the auspices of the United Council of Church Women of Jacksonville.

A well-known lecturer, The Rev. Robb attended the Oslo youth conference, sponsored by the youth organizations of churches around the world. While there he became acquainted with delegates from the displaced person camp.

Following the meeting, a high tea will be served. A small charge will be made.

All church women of Jacksonville are members of the United Council and are asked to see that their church leaders arrange for reservations for the tea.

## March of Dimes Drive Conducted By IC Fraternity

In conjunction with the Jacksonville March of Dimes drive against infantile paralysis, the Illinois college chapter of Alpha Phi Omega, the national service fraternity, conducted the campaign on the I.C. campus.

Alpha Phi Omega is a newly-formed group on the hilltop campus. All members of the organization are former scouts. They have banded together for the expressed purpose of serving the college campus, the community and scouting.

The president of the group is Russell Walton, son of Mr. and Mrs. Roscoe Walton of Jacksonville. Other officers of the organization are Don Rikil of Highland and Byron Jay of Sparta.

To highlight a week of service on the campus, Alpha Phi Omega sponsored an all-school dance Friday night. Music was furnished by the recently formed I.C. orchestra, the "Sophisticats." During the evening a floor show was presented with Max Beschloss of Taylorville, acting as master of ceremonies.

Sports Club, 221 N. Main street. Open Sundays. All kinds sandwiches, chili, bean and vegetable soup. Ice cream and melted milks.

## Blueboys Knock Off Principia 69 To 61; Shouse Leads Attack

Illinois College and Principia College staged a battle royal on the basketball court Saturday night with Illinois College coming out on top 69-61.

The game was delayed more than an hour because the bus in which the visiting team was traveling broke down on the way and they had to drive the remaining distance in private cars which had been called to meet the emergency.

The game was slow for the first few minutes with neither side seeming to find the key. Principia finally broke the ice for IC and then the fireworks began. The teams fought on almost even terms for the first half of the game. Illinois managed to garner a 33-25 advantage at the half-time whistle.

**First Half Very Slow**

Although the Illinois College boys had the advantage in height, the visitors were scrapping all the time and managed to control a reasonable share of the rebounds. The first half of the game was comparatively slow with Principia relying on set plays and IC on their advantage in height.

About seven minutes after the start of the second half, Murrin was lost to IC via the foul route, Billings replaced him. The second half was fought on almost even terms, with IC gaining a little advantage and forging ahead by 12 to 15 points until the last five minutes when Kilburn caught fire for Principia.

There was no holding him as he pumped 14 points through the nets in those few minutes; his efforts were fruitless though as IC was able to hold the advantage they had gained.

**Shouse Leads Blueboys**

Shouse of IC continued with his usual sharpshooting to lead the IC five with 18 points. Longer followed closely with 16. Before fouling out, Murrin had poured 11 through the buckets. Scoring honors for Principia went to Kilburn who swished 27 pointers through the nets.

Due to weather conditions there was no preliminary game.

Illinois College will next see action against Wesleyan Wednesday night on the I.S.D. floor, and the following night will tangle with North Central on the same boards.

Officials: Peabody, Jacksonville and Shields, Greenfield.

The initial game of the meet will get underway at 7 p.m. when White Hawks tangle with St. John's of Carrollton. Hillview meets Eldred in the second contest Tuesday night.

Wednesday evening will wind up the first-round battles Carrollton plays Kane in the 7 p.m. contest, and Greenfield pits its five against Roodhouse in the final games. Tuesday's winners play at 7 p.m. Thursday evening, followed by the winners of Wednesday night's fray at 8:30. Consolation and Championship bouts are slated for the same time Friday evening.

**Bradley Dumps Drake 59 To 48 In Rough Contest**

Peoria, Ill., Jan. 29—(P)—Bradley University's Braves were matched in field shooting but converted 21 free throw attempts to down Drake: Bulldogs, 59-48, in a rough Missouri Valley Conference basketball game tonight.

The Braves and the Bulldogs each flipped in 19 field goals, but Bradley's charity shots provided the payoff. Twenty-seven fouls were called on Drake.

Drake was out in front, 10-8, in the first ten minutes but Dave Humerickhouse and Paul Unruh each connected to put the Braves in the lead. The Bulldogs momentarily regained the edge, 20-19, on Gene Ollrich's basket but Bradley stormed ahead to take a 26-23 halftime lead.

The Bulldogs caught up, 26-26 after the intermission but faded as Bradley racked up five straight points.

The opposing centers, Drake's six-foot nine John Pritchard and Bradley's six-foot four Paul Unruh shadowed each other with the Braves getting the better of the match. Unruh clicked for 18 points—five more than Pritchard.

It was Bradley's third victory in five conference games and 19th triumph in 22 contests this season.

**Red Flaherty Now Head Coach For Chicago Rockets**

Chicago, Jan. 29—(P)—Ray "Red" Flaherty, once a coaching hero of the rival national football league, today was named head coach of the rebuilt Chicago Rockets in the All-America conference.

The surprise announcement by league commissioner O. O. Kessing swept out Coach Ed McKeever after a lamentable one-season showing. The Rockets won one game and lost 13.

Flaherty thus returns to the new league. He coached the New York Yankees during 1946 and 1947 before quitting the AAC in a row with owner Dan Topping early last season.

The genial 44-year-old native of Hayden Lake, Idaho, had entered the All-America conference after seven coaching seasons with the Washington Redskins, whom he directed to two national football league titles.

## Illinois Comes Back In Second Half, Edges Minnesota Five 45-44

Champaign, Ill., Jan. 29—(P)—Illinois' basketball team staged a sensational comeback here tonight to hand Minnesota's Gophers their first defeat in 14 games, 45-44.

The win gave Illinois possession of first place in the Western Conference with a record of four wins and no losses. Minnesota now has a 5-1 conference record.

Jim McIntyre led Minnesota with 15 points, and teammate Whitey Skog had 13. Fred Green and Jim Marks counted 10 each for Illinois.

With 10 minutes gone in the first half, Minnesota held a 17-5 advantage, then the Illini applied a man to man press defense for the first time, and in the final 10 minutes whittled their deficit down to seven points, 27-20, as the half ended.

**Illini Open Half Strong**

In the second half, Illinois' defense clicked beautifully. Minnesota's stalling offense was unable to function, and during the first four and a half minutes the Illini scored eight points to Minnesota's none.

That made the score 27-20, and from then on the game was played at a furious clip. Minnesota immediately went ahead again on a jump shot by Skog, 29-28. McIntyre and Harold Olson added baskets while Bill Erickson made one for Illinois, making the score 33-30 in favor of Minnesota.

Six points—four by Marks and two by Thurlby—pushed the Illini ahead again at 36-35 with 10 minutes remaining. The Illini were never again behind.

## Jackson, Ham Spark Champs To 41-38 Win; Rockets Edge Hornets

Eldon Atwood's Chambersburg fence, ball pilfering, and long passes quint became the first team to top the PMBC tourney crown three times as they edged Spike Wilson's fighting Tigers in a 41 to 38 battle for the championship at ISD Saturday night. Paul Stroud's Rockets five edged out a narrow 34 to 33 win over the Mt. Sterling Green Hornets to take third place honors.

Besides winning the first-place trophy, the Burgers were chosen to receive the sportsmanship trophy by the officials of the meet. Tom Kline, assistant superintendent of ISD, upon presenting the sportsmanship trophy to the Chambersburg team, commented on the fine spirit and attitude shown by the winners.

**Not According To Hoyle**

Both the Wilson coached crew and the Chambersburg five were in the finals by virtue of upsets over the more highly-touted Mt. Sterling and Routt fives. The Green Hornets were rated to win, with the Rockets, ISD and Chambersburg following in that order. The actual outcome was in exact opposite to pre-tourney selections.

The championship tilt was a dog-eat-dog affair right down to the finish line. Both clubs were in top condition for the fray, and were keyed to a fighting pitch that made for a clean-hard played ball game.

**Tigers Take Early Lead**

Irwin Carlstedt started carrying the load for the Wilsonmen in the early minutes of play, and sparked the Tigers into a slim edge at the end of the first eight minutes of play. Little Hap Ham, Chambersburg forward tossed in several long shots during the initial period to keep the Burgers in the ball game. They trailed by a single tally in the 11 to 10 score at the close of the first stanza.

Every Chambersburg cager flipped in a fielder during the second inning, and the champs forged into a 23 to 17 lead at the intermission. The winning crew used a fast break to great advantage in the second quarter, combining their pressing defense with the Wilson's long range shooting.

**Spreen Hits Long Shots**

A. J. Spreen found the bucket with his long one-hander in the last can, and flipped in 2 buckets, while Paul Sander and Joe Murphy were doing some sterling rebounding to bring the Routt aggregation back in line, and the champs forged into a 23 to 17 lead at the intermission. The winning crew used a fast break to great advantage in the second quarter, combining their pressing defense with the Wilson's long range shooting.

**Kentucky Rolls Over Irish 62-38**

Louisville, Ky., Jan. 29—(P)—Kentucky's once-beaten national basketball kingpins breezed to a 62-38 victory over Notre Dame before 2,000 fans here tonight.

The issue never was in doubt after the smooth-working Wildcats took a ten-point lead midway of the first half. When the teams reached the rest stop, Kentucky boasted a 33-18 bulge.

Kentucky, second ranking nationally in the Associated Press poll, made a strong bid for the top spot by smacking the fighting Irish for their worst defeat of the season. The Irish bowed to DePaul by 21 points.

Alex Groza led the Kentucky attack, by scoring the most points, by exercising mastery of the backboards and by holding Notre Dame's John Foley to a scoreless effort. Groza slipped in seven field goals and eight out of 13 free throws for 22 points.

Runner-up honors for the Wildcats went to veteran Cliff Barker, who scored nine points before falling out with ten minutes to play.

**Blackburn Cagers Win**

Carlinville, Ill., Jan. 29—(P)—Blackburn College defeated Concordia of Springfield, 56 to 54 tonight in an overtime basketball game.

Blackburn held the lead most of the time, but the score was close all the way. Blackburn led 22-18 at halftime.

## Bill Shouse Currently Third-Leading Scorer In CCI Basketball Loop

Bill Shouse, high scoring guard on the local college basketball team, is currently third-ranking scorer in the CCI basketball loop.

Bill, using a long one-handed shot to accumulate most of his points, has scored 60 tallies in three conference games for an even 20 point per game average. He is below Arnie Blzer of Elmhurst college and Marv Johnson of Wheaton, who boast respective averages of 24.3 and 23.5.

**Grove Places Sixth**

Shouse's running mate at guard, Bob Grove is number six in the CCI scoring parade. In three games he has flipped in 49 points for a 16.3 tally. Farther down on the list, in the 10th position, is Bill Gross, husky Blueboy forward, who currently holds a 13.3 point per game average in CCI contests.

The Miller coached Hilltoppers are now deadlocked in a three way tie for fourth place in team standings in this loop. Elmhurst and North Central teams have duplicated the local college's 2 and 1 record in conference games to throw the race into a tie. Ill. Wesleyan is on top of the heap with wins and no losses at the present time.

**Carthage Game Cancelled**

The Blueboys were felled in their chance to advance to second place in the loop, when inclement weather forced a cancellation of their trip to Carthage Friday evening. A conference win over Bill Strickland's Redmen would have pushed them into a tie with Millikin and Wheaton for second place honors.

**Play Ill. Wesleyan Wednesday**

The Millermen will tangle with the league-leading Illinois Wesleyan aggregation on the ISD boards Wednesday night. This contest will settle the current question of who's who in the Little Nine race. If the Blueboys can brush off the Ill. Wesleyan gang, it will throw the teams into a four-way tie for top spot, and give the local bunch a better than fair chance to capture the crown. The Hilltoppers have already dumped Millikin and Wheaton in conference battles, and a win over Ill. Wesleyan would indicate that they are just about top apple in the CCI barrel.

**Leading Scorers In The CCI**

Name—school	average
Arnie Blzer, Elmhurst	24.3
Marv Johnson, Wheaton	23.5
Bill Shouse, Illinois College	20.0

**Michigan Upsets Ohio State Five 54-48 Saturday**

Ann Arbor, Mich., Jan. 29—(P)—Michigan fought its way back into the Big Nine basketball race tonight by dumping a favored Ohio State team 54 to 48 before a crowd of 6,100.

Ohio State suffered its third loss in six western conference games. The lead wavered back and forth in the first period before Mack Sprunowicz caught fire and tumbled in three successive baskets that enabled Michigan to pull away to a 29-25 halftime lead.

The Michigan junior connected on seven field goals and five free throws for a total of 19 points and honed as high point man of the night.

Dick Schnitter, high scoring Buckeye forward from Cleveland, Ohio, was held to three field goals, but built up a 15 point total as he sank nine of 15 free throws.

Working in a form they hadn't shown before this season, Michigan's Wolverines held an edge under both backboards through most of the contest and stalled out the last four minutes.

The victory gave Michigan an even 2-2 record in the western conference play and revived the possibility that the Wolverines may still be a powerful factor in the race.

**Richie Ashburn Is Setting His Sights High For 1949**

Philadelphia, Jan. 29—(P)—Rabbit-footed Richie Ashburn is setting his sight high for 1949.

Sweeping into town from the snow drifts of his Nebraska home, the Philadelphia Phillies' sophomore centerfielder mapped out an agenda today that's going to keep him hopping.

After picking up a new automobile, Richie said he's got some discussing to do with Phil Prexy Bob Carpenter. Specifically, he wants his pay boosted to \$12,000. That's why he sent back unsigned a contract calling for \$7,500.

"There wasn't enough money in it for me," said the up-and-coming youngster who grabbed the sporting news rookie-of-the-year mantle last year.

"In 1948, I received \$6,000 and did not get a bonus. I don't want to gripe about what I got last year. I know I was lucky to get a chance but I did pretty good and I want to get the money while I can."

# Former Carrollton Man Dies Saturday At Herrin Hospital

A. A. Schmitz of Marion, Ill., formerly of Carrollton, died Saturday morning in the Herrin hospital. He was 61 years of age.

Mr. Schmitz left Carrollton, where he was assistant cashier at the Greene County National bank, 12 years ago. There he also worked for an insurance agency. He resided for a time in Springfield where he held a position as chief clerk in the office of State Treasurer John Steele and in Rantoul where he held a government job. At Marion Mr. Schmitz was employed by the F.H.A.

His wife, the former Frances Schellon, and his father, Rudolph Schmitz, survive. He also leaves three daughters, Mrs. Joe Mirabelli of Chicago; Mrs. Arthur Rooley of Granite City; and Mrs. Allen Fields of Boston, Mass.; two brothers, Julie and Jack, both of Alton; and one sister, Mrs. P. H. Carmody of Carrollton.

Mr. Schmitz was a past grand knight of the Carrollton council Knights of Columbus. The body will be brought to the Simpson Funeral Home in Carrollton Sunday. Funeral arrangements are incomplete.

# Maggie Zirkle Richardson Dies; Burial at Ashland

Ashland—Mrs. Maggie Zirkle Richardson, a former well known Ashland woman, died Friday morning at a hospital in Weldon, Iowa, where she had been a patient for some time.

She was born in the Ashland community, daughter of Mr. and Mrs. Charles Zirkle, and attended the local schools. Her husband preceded her in death one year ago.

Surviving are two brothers, Ernest Zirkle of Havana and Charles Zirkle. The remains will be brought to the Gainer Funeral Home the first of the week. Funeral arrangements will be announced later.

Farmers of west central Illinois are invited to hear an illustrated lecture on hybrid hogs by Ben Salmela, herdsman of the Johnson Farms of LaCrosse, Ind., when he addresses the annual meeting of the Illinois Mid-West Corn Belt Live-stock Feeders. This program will be held at the Masonic Temple at 1:30 p.m. Saturday, Feb. 12.

L. A. Reed of Jacksonville is in charge of arrangements for the annual meeting. Ralph Newman of Griggsville will be the presiding officer. Addresses will be given by Chauncy Watson of DeKalb, association president; and Mark Pickell, of Chicago, executive vice president.

Roy Hult of East St. Louis will speak on the topic, "Market Reviews," and W. C. Haas of Swift and company, Chicago, will discuss the "Retail Meat Situation." The banquet will be held at 6:30 p.m. Dr. Alexander Baird, professor of economics at Bradley University and former Babson analyst, will present "The Current Business Forecast."

# Hilltoppers Plan 'Charles And Mary' As Midyear Play

Miss Octavia K. Frees, director of the Hilltoppers, Illinois College dramatic group, has announced the cast for the midyear play, "Charles and Mary" by Joan Temple, English actress.

The play, based upon the everyday lives of Charles and Mary Lamb, also includes such other well-known literary figures as Coleridge and Wordsworth. Since it is a "period" play, appropriate costumes will be used by the Hilltoppers.

The 15-member cast includes: Bill DePrates, Jacksonville; Alice McFert, Mt. Vernon; Joan Miers, Mt. Prospect; Robert Robertson, Berlin; Kim Kintzel, Freeport; Joe Baker, Jacksonville; Florence Majewsky, Chicago; Phyllis McDermitt, Rosamond; Harry LaTiere, Griggsville; J. Tarro, Elgin; Harold Sheaffer, Long Island, N.Y.; Birl Worley, Jacksonville; Rod Sparnicht, Brooklyn, N.Y.; Joan Clymer, Haddonfield, N.J.; and Mary Ellen Elkin, Springfield.

Donna Postlewaite of Chapin will be stage manager. Following an established policy, the production will be presented for the public at a date to be announced in the future.

# U. Of I. Announces \$400,000 Research Housing Project

Champaign, Ill., Jan. 29.—The University of Illinois announced today plans for a \$400,000 housing project which will test principles of design and construction developed by its Small Homes Council.

Dr. George D. Stoddard, university president, said 30 houses will be built on the campus for the dual purpose of research and faculty housing. Special attention will be paid to study of time operations as applied to a large scale builder using "site fabrication" methods. Stoddard said the university hopes to gain information of value to large investors, corporations, and other universities interested in "mass production" of houses.

The project also will give the university's small homes council opportunity to demonstrate the principles of planning, construct 89 and landscaping it advocates in its publications.

The 30 homes are scheduled for completion by next Sept. 1, and will be rented to faculty members. Stoddard said the university hopes the City of Urbana will annex the 10-acre tract on which they will be built.

# Top Gilt Brings \$900 At Potter Ducroc Sale

Saturday's cold weather more than halved the usual crowd at the H. Y. Potter & Son purebred Ducroc bred gilt sale held on the farm two miles west of Jacksonville. Many well known Ducroc breeders who ordinarily attend the Potter auction were at home, icebound.

Despite the relatively thin crowd bidding was spirited on some of the individuals. The top ten gilts bred to Star Blend, 1947 Indiana grand champion, averaged \$388. The top ten mated to Red Velvet, 1948 grand champion, brought considerably more money, an average of \$539.

Miss Victory Star commanded the highest price of the day, when Raymond Bowman of Eminence, Ind., outlasted other bidders and bought her for \$900.

Dream Lady went to Stewart Kline of Camden, O., for \$760 and Fenmar Farms of Orion, Ill., paid \$710 for Miss Model Star II. All three were mated to Red Velvet. Most of the purchases were from other sections of the country. The offering of 50 head were bought by breeders from Indiana, Ohio, Wisconsin, Iowa, North Carolina, California, Texas, Nebraska and Illinois. Buyers from this area included E. E. Hynes of Jacksonville, Jess Spencer of Gillespie and M. J. Worthington of Petersburg.

Guy L. Pettit of Bloomfield, Iowa, cried the auction. Assistants included Carman Y. Potter and Henry Peters, both of Jacksonville; Chalmers Rinehart of Peoria, Floyd McCaskill of Timewell and Sherman Vance of Hog Breeder magazine. J. L. Donaldson of Jacksonville was the clerk.

The ladies of the Lynnville Friendship class served the lunch.

# Two-Year-Old Girl Safe After Treak Over Mountains

Charlottesville, Va., Jan. 29.—(P)—A two-year-old girl lay safe in the warmth of a hospital bed here tonight. In a somewhat limited conversation she told of her overnight exploits alone in the mountains of Albemarle county.

Except for a few scratches and a mild bit of frostbite that nipped at her bare toes, Gerleane Hensley seemed little the worse for her escapade that brought scores of searchers out for a 20-hour hunt.

Her own comment on the night in the open, made between long pulls at a bottle of milk, was: "Very hungry." And: "I saw a lot of moons."

University of Virginia hospital said Gerleane would be all right and the frostbite didn't seem to amount to a great deal.

She was found by two searchers about 1 p.m., walking barefoot in a heavy brush area on the side of Sugar Loaf mountain opposite her home in the Red Bud Hollow section. She stepped in a creek during the night and had taken off her wet shoes. She wore a blue-checked gingham dress and a light coat.

RECEIVES GRIDIRON HONOR James Schaefer, grandson of Mrs. Ethel W. Killebrew, Winchester, Ill., was voted the outstanding football player in the Horace Mann school at San Diego, California. The young lad lives on a farm east of the southern California city with his parents.

FIRE ALARM Firemen were called to the residence of William Cannon, 850 S. Main street, Saturday evening to extinguish smoldering ashes piled in the basement.

A booster line was used to cool off the hot ashes. There was no damage.

NOTICE Due to the death of Terrance Brennan, there will be no bingo at the Legion Home Monday night

Arthur Acom of the Markham community Saturday withdrew his nominating petition for county commissioner, subject to the Republican primary, "in favor of my good friend, Rex Ransom."

In withdrawing his petition Acom observed "it will save the county the expense of a primary election and I feel I am doing the best for the public in so doing."

# Eleanor M. Chapin And Navy Captain Married Jan. 22

Miss Eleanor M. Chapin, daughter of Mr. and Mrs. T. A. Chapin, 1220 West College avenue, and Captain Thomas Payne Wilson of the U.S. Navy, son of Mrs. Georgia Graves of Lindsay, Calif., and the late T. R. Wilson, were united in marriage in a lovely wedding service which took place Jan. 22 at the First Presbyterian church in Norfolk, Va.

The ceremony was performed by the Rev. Jason L. MacMillan. Mrs. John H. McElroy was the matron of honor. The best man was Captain John H. McElroy, classmate of the bridegroom at the U.S. Naval academy.

The bride was attired in a sheer wool dress of deep velvet, with harmonizing accessories. Her corsage was of two orchids.

Mrs. McElroy wore a black dress with matching accessories and a corsage of gardenias.

Mrs. Wilson was graduated from MacMurray college and received her master's degree from Columbia university teacher's college. Until recently she has been instructor at Juniata college in Huntingdon, Pa. Captain Wilson, a graduate of the U.S. Naval academy, is commanding officer of the U.S.S. Greenway Bay, which is now stationed in Hampton Roads Naval base.

After a wedding trip to Williamsburg, Va., the couple will make their home at 1056 Hanover avenue, Norfolk, Va.

# Terrance Brennan Dies Suddenly At Hospital Saturday

Terrance J. Brennan, well known local resident, died suddenly Saturday morning at 8:45 o'clock in the occupational building at the Veterans' Unit at the Jacksonville State hospital where he was employed as instructor in occupational therapy.

Mr. Brennan had been suffering from a heart ailment for some time and was under a physician's care. His death, however, came as a shock to his family and friends.

He was born in Jacksonville, January 29, 1882, the son of Joseph and Anna Brennan.

After graduating from Jacksonville High School, Mr. Brennan entered business with his father on South Sandy, conducted a tin shop and sporting goods store.

He disposed of his business interests when he became superintendent of the Jacksonville city parks, a position he held for several years. For the past eight years he has been employed as instructor in occupational therapy in the Veterans' Unit at Jacksonville State Hospital.

While a student at Jacksonville High School, Mr. Brennan was a member of the football team and continued his interests in athletics throughout his life.

He was also very active in the musical life of Jacksonville, having been a member of the Jeffries Juvenile band for more than 20 years.

He was united in marriage with Miss Myrtle Samples in this city, who survives. He also leaves his aged mother, Mrs. Joseph Brennan, and a son Terrance Brennan, Jr., who is conductor of the "Boots" Brennan orchestra, two grandsons, Terry and Larry Brennan, also several cousins.

The body is at the Gillham Funeral Home where the family will meet friends from 7 to 9 o'clock Sunday night.

Funeral services will be held Monday morning at 8:30 o'clock at the Church of Our Saviour, of which Mr. Brennan was a member.

# Five U.S. Soldiers Die In Barracks Fire In Japan

Tokyo, Sunday, Jan. 30.—(P)—Five American soldiers burned to death and 10 others were believed missing in a fire which swept the two-story barracks at the Yokota Air Force base early today.

At least 15 others were injured, five of them seriously. Smoke and heat awakened staff Sgt. Carl R. Nilson of Tacoma, Wash. He sounded the alarm, but flames already were licking through the barracks, which housed 90 men. Headquarters said five bodies, none immediately identified, had been recovered. Search was under way for 10 more believed missing.

The base is about 20 miles west of Tokyo.

# FREEZES FEET IN JAIL BREAK WITHOUT SHOES

Trenton, Mo., Jan. 29.—(P)—Benjamin Stewart escaped jail today but the elements were against him. Deputy sheriffs surprised him at his parents' rural home.

Stewart, 24, ran from the house without his shoes and started across country in deep snow. The temperature was 5 degrees below zero. Sheriff Henry Smith tracked him to a hog lot and found him hiding under some litter.

He was taken back to jail with frozen feet to await trial on a robbery charge.

Leftover peas may be served in a curry sauce and accompanied by the usual curry condiments: hard-boiled eggs, chutney, relish, chopped peanuts, coconut.
